**After
MICE!**
Golf

The after-MICE classic! ...in Miyazaki, it's golf!

Known as the "Sunshine Prefecture," Miyazaki Prefecture ranks 3rd in Japan for average temperature and sunshine hours and 2nd for fine-weather days, making it the ideal location for golf. There are 13 courses within 30 minutes of central Miyazaki City, three of which offer outstanding play on tournament courses.

● **UMK Country Club**

The AXA Ladies Golf Tournament has been held here in March every year since 2013. With each hole set amid the natural rolling hills of the tropical landscape, the course design features a mix of long and short distances, wide and narrow fairways, and uphill and downhill shots.

● **Miyazaki Country Club**

Miyazaki's oldest golf club, conveniently located just 5 minutes from Miyazaki Airport. The JLPGA Tour Championship Ricoh Cup is held here every November.

● **Phoenix Country Club**

Home of the Dunlop Phoenix Tournament, renowned for offering the highest total prize fund in Japan, since its inception in 1974. The Tom Watson Golf Course is just to the south.
